

Mid American Credit Union HAS PARTNERED WITH THE LEADING PRIVATE STUDENT LOAN SOLUTION FROM NOT-FOR-PROFIT CREDIT UNIONS PAYING FOR COLLEGE JUST GOT EASIER

Recognizing the need for private student loans for its members, Mid American Credit Union is proud to refer students and their families to the cuScholar Private Student Loan, which is available through the cuStudentLoans network of credit union partners.

With college enrollment at an all time high, paired with the escalating cost of tuition, cuStudentLoans provides families with a complimentary product to assist them with funding higher education. The cuScholar Private Student Loan can help pay for all qualified education expenses, including tuition, room and board, books, computers, even past due tuition bills. This private student loan option also includes a unique financial literacy component that helps students learn good credit habits and build their credit scores while they are still in school

“We are great believers in assisting members with their education needs. We currently have some great ways to save for school and connections to scholarship opportunities. We are very excited to be able to refer a credit union managed private student loan product to our members who may need additional assistance,” said Jim Holt, Mid American Credit Union's President/CEO. “With the price of college on the rise, students and parents are finding it difficult to afford higher education. This private student loan takes over when federal funding is exhausted, which allows students to focus on learning, not wondering how to pay for the next semester.”
