Finance Charges Explanation

Skipping a payment may cause your principal balance to remain unchanged and may extend the term of your contract. Interest will continue to accrue. This offer does not apply to mortgages, home equity loans, VISAs, line of credits or past due loans. If you have GAP policy on your loan, skipping a payment during the loan contract may void the GAP policy. Check your GAP policy for restrictions.

I have read and understand the conditions and terms listed on the coupon.
